Orb of mor - ning

Thy rays are dawn-ing on great and small to shine.

Oh Light su-blime.

456

May each soul in sor - row's night

See thy dawn - ing light.

Bring com - fort to all in sad - ness,

Orb of mor - ning

Thy rays are dawn-ing on great and small to shine.

Oh Light su-blime.

May each soul in sor - row's night

See thy dawn - ing light.

Bring com - fort to all in sad - ness,

May each soul in sor - row's night

See thy dawn - ing light.

Bring com - fort to all in sad - ness,

May each soul in sor - row's night

See thy dawn - ing light.

Bring com - fort to all in sad - ness,

7 8 9

Turn our sor-rows to glad-ness. And if from our path we slide Guide with your gen-tle light our stride

Turn our sor-rows to glad-ness. And if from our path we slide Guide with your gen-tle light our stride

Turn our sor-rows to glad-ness. And if from our path we slide Guide with your gen-tle light our stride

Turn our sor-rows to glad-ness. And if from our path we slide Guide with your gen-tle light our stride

10 11 12

Oh shine from a - bove Su-blime light of love Show us the way to live and love each day

Oh shine from a - bove Su-blime light of love Show us the way to live and love each day

Oh shine from a - bove Su-blime light of love Show us the way to live and love each day

Oh shine from a - bove Su-blime light of love Show us the way to live and love each day

13 14 2

Thou our bea - con and guide shall be Light su-blime, light our way. Light su-blime, light our way.

Thou our bea - con and guide shall be Light su-blime, light our way. Light su-blime, light our way.

Thou our bea - con and guide shall be Light su-blime, light our way. Light su-blime, light our way.

Thou our bea - con and guide shall be Light su-blime, light our way. Light su-blime, light our way.
